This eco-friendly, organic spot is dedicated to teaching kids about nature, animals and caring for the planet. The indoor petting zoo offers much more than your average rabbit, with everything from chinchillas to guinea pigs, lizards, turtles, birds and more. Their weekday program is packed with classes, and they also host regular Saturday events, including Mornings on the Farm (all ages, 8 to 10 a.m., \$15 for kids, \$5 for adults) and Farm Foodies (2- to 8-year-olds, 9 to 10 a.m., \$40).
